

"Every year we participate in the Caritas Kasanaensis-Exhibition program. We get many new customers who like our products and later contact us to get some of them from the farm. It is a great marketing linkage for us."

CARITAS KASANAENSIS

Annual Caritas
Kasanaensis Exhibition

What We Do through the Exhibition program

- We create networks among farmers, farmer organizations, associations and cooperatives for promotion of the various appropriate and sustainable technologies.
- We offer a marketing and new product promotion opportunity to the small scale products, industries, banking sectors and other businesses.
- We offer clients a variety of valuable items at cheaper costs
- We offer educational services to farmers, pupils and students about new Agricultural technologies, products and market place operations and market research trends.

Participating as an Exhibitor

In order to participate in the Exhibition as an exhibitor, please mark the following:

- The venue for the Exhibition is Waluleeta St. Kizito Pilgrimage Site
